

Hello,

OXY
1099 18th Street Suite 700
Denver, CO 80202-1918

Oxy is proposing an oil and gas location in your area. We are working through permit applications with local and state agencies. Our Stakeholder Relations team is a dedicated resource for stakeholders in the communities in which we operate. We are offering a virtual neighborhood meeting to provide project-specific information and seek the community's input.
